NEWS RELEASE - UPDATE

For immediate release: 06-12-2020 1:02 p.m.

COVID-19 Case – Role of the Wrangell Emergency Operations Center (EOC)

While the EOC is tasked with doing press releases, it is based on information provided directly from the Regional (Petersburg/Wrangell) Public Health Office.

What the EOC has done to date (and will continue to do) is:

- Provide the Initial Notification of Positive COVID-19 cases
- Provide Hand Sanitizer to local businesses
- Assistance with preparing Mitigation Plans
- Answer questions about Mitigation Plans
- Provided clarification and direction on State issued Mandates
- Help with questions on cleaning protocols and other measures to help you feel COVID-19 ready!

Public Health receives and handles all health/medical/testing/quarantine information related to a case. Any questions regarding this should be directed to Public Health. They can be reached at 907-772-4611
