COVID UPDATE – Second Positive Case Today

This afternoon, the Wrangell Emergency Operations Center (EOC) was notified of a second new positive COVID case. This individual is a Wrangell Resident and had recently traveled outside of Alaska. The individual is asymptomatic and is isolating. The total number of current active cases is at two.

Continue practicing basic mitigation measures to prevent the spread of COVID-19:

- Isolate yourself if you feel any cold-like symptoms and get tested for COVID-19 as soon as possible.
- If you are unvaccinated:
 - Avoid crowded places and gatherings; keep social circles small.
 - Stay at least 6 feet away from people outside of your household.
 - Have a mask on when you are around people outside of your household – even if you can maintain a 6-foot distance from others.
- Wash your hands often and disinfect commonly touched surfaces and objects.

Let us work together to keep Wrangell safe as we continue to transition out of the Pandemic.
