NEWS RELEASE – COVID UPDATE

For immediate release: 7-16-2021 4:45 p.m.

COVID UPDATE

The Wrangell Emergency Operations Center (EOC) was notified on Friday, July 16, 2021, at 11:45 a.m. of a new positive COVID case. This individual is a Wrangell Resident who has not recently traveled but this case is linked back to the prior case that was identified earlier this week (Wednesday, July 14th). The individual is symptomatic and is isolating. No additional information is known at this time. The total number of current active cases is at two.

Continue practicing basic mitigation measures to prevent the spread of COVID-19:

- Isolate yourself if you feel any cold-like symptoms and get tested for COVID-19 as soon as possible.
- If you are unvaccinated:
 - Avoid crowded places and gatherings; keep social circles small.
 - Stay at least 6 feet away from people outside of your household.
 - Have a mask on when you are around people outside of your household – even if you can maintain a 6-foot distance from others.
- Wash your hands often and disinfect commonly touched surfaces and objects.

Let us work together to keep Wrangell safe as we continue to transition out of the Pandemic.
